MEHIK KUMARI

Software Developer | MERN Stack Developer
maheknankani34@gmail.com | 0305-1233630 | Karachi, Pakistan | LinkedIn | GitHub | Portfolio

PROFILE

Computer Science graduate from SZABIST with practical experience building web and mobile applications using MERN stack. Skilled in React, React Native, Node.js, Express.js, and MongoDB, with experience in REST APIs, authentication, real-time features, and database design. Interested in building reliable, user-friendly software and growing through real-world development opportunities.

SKILLS

Languages: C, Java, Python, JavaScript
Backend: Node.js, Express.js, REST APIs, JWT, Socket.io
Frontend: HTML/CSS, React, React Native, Responsive Design
Database: MongoDB, PostgreSQL
Tools & Cloud: Git, GitHub, AWS, Cloudinary, Power BI, Postman
Design: UI/UX Design, Figma, Adobe Illustrator, Logo Design
Soft Skills: Problem-Solving, Teamwork, Communication, Leadership

WORK EXPERIENCE

MERN Stack Intern | 10Pearls *2025*
- Built full-stack features using MongoDB, Express, React, and Node.js, developing REST APIs, reusable UI components, and validations while collaborating on GitHub workflows, debugging, and code reviews.

UI/UX Design Intern | Santé Pvt Ltd, Shahrah-e-Faisal, Karachi *2026*
- Redesigned Sante Cosmetology's e-commerce website using Figma, focusing on improving user experience, navigation, and visual consistency through user-friendly layouts, product pages, categories, bundles, and competitor research.

UI/UX Design Intern | FlyRank Ai *2026*
- Contributed to the UI/UX design process by creating wireframes, mockups, and prototypes, and collaborating with the team to design clean, user-friendly interfaces aligned with brand and usability standards.

Frontend Development Intern | Elevvo Pathway *2025*
- Completed a 1-month internship building and refining responsive website layouts using HTML, CSS, and JavaScript, focusing on cross-browser compatibility, mobile-first design, and clean, functional user interfaces under mentor guidance.

Design Team Member | ZAB E-Fest, SZABIST *2024*
- Supported ZAB E-Fest, SZABIST's technology festival, by creating logos, ID cards, certificates for the event.

PROJECTS

- **CareerMap Website:** Final Year Project
  - Built a full-stack career guidance platform with JWT-based authentication, real-time chat via Socket.IO, Cloudinary media uploads, OTP email verification, and payment integration using PayFast.
  - Included university search, mentorship and marketplace features. Tech: React.js, Node.js, Express.js, MongoDB.
- **BookWorm:** Book Management App APK
  - Built a React Native app with JWT authentication and role-based user profiles.
  - Implemented CRUD functionality with a Node.js/Express/MongoDB backend, packaged as an installable Android APK.
- **Brewly & Co.:** Specialty Coffee E-commerce Platform | MERN Stack
  - Built a coffee e-commerce platform with product customization, search and filtering, cart, wishlist, and subscriptions.
  - Developed an admin dashboard for product, inventory, order, and discount management.
- **Savor 3D Website:** Built a modern restaurant website with React, Vite, and Tailwind CSS, featuring an interactive menu and 3D visual elements for an engaging, responsive browsing experience.
- **NovaAI:** Built a responsive AI assistant platform with real-time chat, model switching, and analytics using JavaScript.

EDUCATION

BS Computer Science | SZABIST University, Karachi | CGPA: 3.43 *2022 – 2026*
Intermediate & Matriculation | Sindh Public Higher Secondary School, Ghotki *2018 – 2022*
Intermediate: 82% | Matriculation: 78.8%

CERTIFICATIONS

- **AWS Cloud Foundations:** Fundamentals of AWS cloud services, including core cloud concepts and services.
- **Red Hat Linux:** Fundamentals of Linux system administration and command-line operations.
- **GDSC Bootcamp:** Fundamentals of programming, problem-solving, and practical coding.
- **GitHub Course:** Git and GitHub fundamentals, including version control and collaboration.
- **ZAB-E-Fest UI/UX:** Participated in the UI/UX design competition, applying design thinking and usability.
